

### **We Provide The Security You Need**

*Our insurance offerings provide your explosives business with the key coverages you need:*

**General Liability** covering exposures that may arise from business operations. Limits available up to \$1 million per occurrence, \$2 million annual aggregate.

**Business Automobile** providing coverage in case of an accident, including:

- Your liability for bodily injury or property damage resulting from accidents
- Costs to defend your company against bodily injury and property damage allegations resulting from accidents involving company vehicles
- Costs to repair company vehicles damaged in an accident
- Limits available up to \$1 million Combined Single Limit (CSL) per occurrence

**Excess Liability** is available on a following form basis for limits up to \$10 million per occurrence excess over a \$1 million primary for a total up to \$11 million.

### **We Have A Legacy of Strength & Stability**

Since 1999, Nobel Insurance Services has been a division of the Lancer Insurance Company, named one of the nation's Top 50 Performing Property-Casualty Insurance Companies by the Ward Group for the last three consecutive years. Most importantly, Lancer's "Excellent" financial rating from A.M. Best stands behind all our products and services.

**Insurance Products & Services for  
The Commercial Explosives Industry**

## We Are Explosives Insurance Specialists

Whether you're a commercial explosives manufacturer, distributor or drilling and blasting contractor, you need protection from an insurance company who understands your business and its unique risks.

For more than 35 years, we have delivered on our promise to provide high-quality insurance products and services that focus on meeting the special needs of the commercial explosives industry. That's why commercial explosives companies all across America turn to Nobel to safeguard their business and their future.

## We Put Our Expertise To Work For You

When it comes to finding the right insurance for your business, great coverages are only part of the solution. We have the experience, knowledge and resources to respond quickly and efficiently when accidents occur and help you minimize losses in the first place.

Our explosives claim professionals are poised to provide you with personal attention around the clock, 365 days a year. They are experts in handling explosives-related claims, enabling us to address your loss quickly, efficiently and fairly, and get you back to business fast.

And when it comes to helping to reduce insurance costs and improve the quality and safety of your explosives operation, our loss control professionals are the best in the business. From evaluating your exposures to assisting with regulatory compliance to revitalizing the effectiveness of your existing safety programs, our safety services will help you run a safer and, ultimately, more profitable business.

## We Exceed Customers' Expectations

Best of all, Nobel delivers value-added services to help you reduce your insurance costs and improve the quality and safety of your explosives operation:

- On-Site Operational Surveys
- Safety Audits
- Regulatory Compliance Reviews
- 24/7/365 Claim Reporting Hotline
- Easy-to-Use Accident and Claim Reporting Aids
- Blueprint for Building a Safety Program Manual
- Safety Video Library
- Driver Training Video Packages
